

1. The Assignment:

To produce a documentary film on the R4iCSA II project trial in Tororo during harvest (rice and soya) and take still photographs for the rest of the trials (28) across Wakiso-Namulonge (NationalCrop Resources Research Institute station-NaCRRI), Butaleja, Kween, Buginyanya Zonal Agricultural Research and Development Institute (Bugi-ZARDI), including Tororo districts in Uganda.

2. About Kilimo Trust

Kilimo Trust (KT) is an independent Regional agricultural development organization - working on agriculture for development across the EAC Region. It is registered in the Republic of Uganda, and it implements projects across all EAC Partner States. The core business of KT is to support the transformation of food and nutrition security in the EAC Region away from high-risk subsistence farming into lower risk trade-based systems.

3. About the Assignment:

The Consultant/Firm will be required to:

- a) Develop a documentary film and take still photos for the Rice Legume Integration Trial under Harvest in Tororo of overall concept and scenario.
- b) Interview selected interviewees for the film.
