- f) Contribute to the expansion of the organization’s consultant roster for key technical and bid preparation functions.
- g) Contribute to Kilimo Trust growth plans and partnership building.
- h) Undertake partner mapping and deepen donor diversity focusing on growing the funding streams to include foundations and high net worth individuals supporting KT’s work.
- i) Identify, steward, and build relationships with existing and new institutional and corporate donors.
- j) Develop new business models in the areas of agricultural value chains, food and nutritional security, climate change adaptation and digital solutions in agricultural sectors and related areas.
- k) Initiate aggressive fund-raising activities aimed at raising funds (at least \$5Million per year) for KT.
- l) Advise and support KT to develop and implement their resource mobilization strategy, with a focus on developing strategic public and private sector partnerships with global and regional companies and institutional donors.

Technical:

- a) Provide technical assistance and support to KT Regional and country programs by reviewing scalable models that can be developed to fund projects.
- b) Maintain database/library of KT proposals and business development materials.
- c) Prepare and maintain proposal required documents and ensure proposals meet RFA/RFP requirements.
- d) Obtain necessary research and reference materials for proposals and conduct research as required.
- e) Write sections of proposals as assigned, including the technical approach, institutional capacity and experience, management plans, past performance, and the annexes.
- f) Ensure formatting of proposal documentation adheres to KT style.
- g) Maintain up-to-date and continuously improve proposal templates and boilerplate materials, including overseeing updates to past performance documentation.

Competencies Required:

- a) Ability to coordinate multiple projects simultaneously and work well under pressure and meet deadlines.
- a) Ability to effectively communicate with and coordinate activities of multiple partners, including field-based staff.
- b) Excellent technical skills in writing, editing, formatting, research, negotiation, and verbal communications.
- c) Attention to detail.
- d) Excellent interpersonal skills, and sense of humor.
- e) Willingness and ability to travel internationally, sometimes with little advance notice.
- f) International field experience in one of the organization's relevant technical sectors is a plus.

Educational Qualifications and Experience Required:

- a) Master's level degree in international development, Management, Business Administration, Marketing, or another relevant field. A post-graduate degree in Partnerships and business development or related fields will be an added advantage.
- b) Bachelor's degree in relevant discipline combined with substantive work and international field experience will be considered.
- c) Five (5) years professional experience in leading resource mobilization or income generation functions preferably for a non-profit organization
- d) 5 years of experience in successful proposal development for I-NGO and other donors, including pre-solicitation preparation. Experience with Multilateral solicitations is required; substantive relevant experience in proposal development for other multilateral or bilateral donors may be considered within the years of experience sought.
